ARTISTRY IN BOTTLE

Small Block Series wines thrive under next generation leaders Tim and Sabrina Persson. These wines honor winemaking practices that explore distinctive vineyards and artisan techniques. The Small Block Series reflects the next generation's pursuit of state-of-the-art innovations in the winery, and their desire to express the personalities of Napa Valley and Sonoma Valley grapes in the bottle.

RESILIENCE IN THE VINEYARD

Each vintage presents a unique set of conditions, and we approach every year ready to face the challenge. Vintage 2019 began with occasional rains and cooler temperatures, which brought soil saturation and allowed fruit to mature steadily. Summer helped the grapes to ripen, and the warm days and cool nights of the Fall fostered gradual sugar accumulation and longer hang times. Harvest began slightly later than normal in some areas, with fruit picked at its peak, promising exceptional flavor in bottle.

FROM THE CELLAR

“Made with fruit sourced from the St. Helena AVA in Napa County, this Small Block Reserve Cabernet Sauvignon showcases the essence of this appellation, located on the narrow northern Napa Valley floor. Established in 1995, this AVA is known for diverse soils and consistently warm weather. On the nose, our 2019 St. Helena Reserve Cabernet Sauvignon exhibits aromas of berry compote, vanilla and baking spices. A silky entry leads to elegant flavors of red fruit with a long, vanilla oak finish on the palate.”

—Stephanie Pope, Winemaker

CURATED CULINARY PAIRING

“Something so powerful needs a companion that can also stand tall, so this is clearly a case where a bit of grilled, charred medium rare beef of the highest quality, presented with wild fennel, caramelized onions and leafy, earthy greens would be simply wonderful.”

— Chad Hendrickson, Executive Chef

COMMITMENT TO SUSTAINABILITY
