ALCOHOL: 14.0%

HESS SELECT WINES

Hess Select wines are sourced from grower families throughout California who share the guiding principle that our founder, Donald Hess, instilled in our family business: "nurture the land and return what you take." We strive to make the very best wines that elevate the everyday and honor our family legacy.

TASTE WITH THE WINEMAKER

Blending is an art in winemaking, and when done with precision, it reveals that the whole can be greater than the sum of its parts. For our Treo blend, we meticulously select lots each year to achieve a harmonious balance and refined elegance. For the 2024 vintage, Cabernet Sauvignon forms the backbone of the blend, supported by Petite Sirah and Teroldego. The result is a wine with inviting aromas of cherry cola and ripe raspberries. On the palate, if offers a plush full bodied texture complemented by smooth velvety tannins that provide structure and balance, carrying through to a lasting, satisfying finish.

2024 VINTAGE

The 2024 growing season was exceptional for winemaking, with early season rainfall providing optimal soil conditions and promoting even bud break. As winter precipitation tapered off in March, ideal spring drying conditions followed, setting the stage for a remarkable growing season. A heatwave over Labor Day accelerated ripening, condensing the harvest period and resulting in a harvest that wrapped up two to three weeks earlier than the previous year. The 2024 wines are bold and aromatic, with a remarkable structure and deep, intense color, showcasing the full potential of this outstanding vintage.

BLEND

51% Cabernet Sauvignon, 25% Petite Sirah and 24% Teroldego
